

What to Bring to Garrett College

Laker Hall Apartments

Don't make your first collegiate mistake by bringing everything you own to your residence hall room!

Since you are living in a 4-person apartment you will have lots to discuss with you apartment mates! Who will bring all of this stuff?

Don't forget that you have central heat and air. There is individual cable in each bedroom but there is also a cable jack in the living room (who will bring the TV for the living room?)

You have a full size refrigerator in your apartment kitchen. How will you share this space with others in the apartment? **Bringing your own personal refrigerator is prohibited.**

Kitchen Needs

Residents may bring the following *UL Approved* Appliances.

- Air popcorn popper
- Blender or mixers
- Bread machine
- Crock pot
